DEEPAK Care Ltd. (and its associated companies) are one of the premier manufacturers and exporters of the entire range of Ophthalmic Products. DEEPAK Group was established in 1976 and we have over Forty years of experience in the Ophthalmic Field.

Our Management comprises of Doctors ,Biomedical and Mechanical Engineers (from USA) with extensive knowledge in biomedical fields. We understand the high-quality medical products: we are ISO 9001, ISO 13485 & CE Certified. And the products that we do not manufacture, we bring them to you from their respective World leaders.

We also appreciate that quality medical care should be available to all and this reflects in our motto

"RESTORING SIGHT, CHANGING LIVES"

Thus our products are economical, cost competitive, and available to far-flung areas throughout the world.

We take this opportunity to present our Eye Division's Product list & Catalogue for year 2023.

We look forward to opportunities to work with you.

With Best Regards,

DEEPAK CARE LTD.
